

Esade International Immersion Programs

Benefits of a Study Tour:

Esade offers flexible and tailored short-term programs. This International immersive experience provides a distinctive opportunity to enhance your students' academic journey, allowing them to explore specialized business subjects, cultivate essential skills, and gain valuable insights into the business world.

In addition to academic excellence, we prioritize comprehensive experience. Our programs incorporate social activities and visits to local companies, fostering networking opportunities and real-world business exposure for students.

Why Esade?

TOP NOTCH FACULTY

Esade has a widely recognized faculty, that on top of developing high-quality research, has also relevant business experience

Customized Program duration

Mix of academic courses, company visits and cultural experiences

Tour locations Madrid/Barcelona

Esade has campuses in Barcelona and Madrid. This provides the opportunity to explore two of the most important cities in Spain and combine the program in both destinations if desired.

Why Barcelona?

Barcelona is the perfect setting for a one-week international program with its vibrant culture, rich history, thriving business scene, world-class universities, stunning architecture, and diverse culinary delights. It offers academic growth, networking, and unforgettable experiences in one of Europe's most captivating cities.

Why Madrid?

The city's global business presence and networking opportunities provide valuable insights. Madrid's rich culture and history add a unique backdrop for personal and professional growth, making it an enriching experience.
